Why do you feel you should be chosen as the St. Patrick's Day Queen:					
					

The Lawrence St. Patrick's Day Committee does not have a policy encouraging or prohibiting the use of alcohol at Committee meetings or events, but reminds each of its members and guests that the legal age to consume alcohol in the State of Kansas is 21. Queen candidates should be mindful that as a St. Patrick's Day Parade Queen Candidate, you will often be an unofficial "public face" of the Lawrence St. Patrick's Parade Committee and will be representing not only the Committee and its members, but also our designated charities and sponsors to the public. Any behavior at Lawrence St. Patrick's Day Parade Events which negatively impacts the Committee, its members, designated charities and/or sponsors may affect your Queen candidacy.
