Parade Day Check-In Information

Parade day check-in will open at 9:00 am on Friday, March 17, 2023 at 12th and Rhode Island. Please send only one representative of your entry to pick up your number and receive directions on where to stage your entry. If the representative is not with his or her entry at the time of check-in, the representative is responsible for directing the entry to the designated staging area and waiting for the entry at said area. Please wait for your entry and attach the number card to the passenger side front window.

All drivers must stay with their vehicles at all times once they enter the staging area. Vehicles that do not have a driver who is able to move the vehicles risk the chance of being removed from the parade.

Entry numbers need to be placed in the lower passenger side corner of the vehicle's windshield. If your entry contains walkers, please have one person in the front of your group displaying the number visible for the judges. Bicycle entries need to have one person in the front of your group displaying the number visible for the judges.

Please be aware that the staging takes place throughout surrounding neighborhoods. Please do not block driveways. Loud music is prohibited in the staging areas and misbehavior will not be tolerated.

Finally, please cooperate with parade officials. Your patience and understanding are appreciated.
